Scoilnuacht 16: November 2021: Updated Events List

Football with Kevin: Kevin continues to be with us on Friday mornings at 9am. He works with the older children first so please do your best to be on time for school so that you get the best value from the sessions. A change of footwear and gumshields are essential.

Winter Ready: With the weather getting much colder, we encourage the wearing of coats and hats. A change of footwear and extra socks are also handy to have in school each day.

Heritage in Schools: As part of this programme, Paul Finch returns to us on Friday Novemebr 5th and Friday November 12th.

Fundamental Movement Skill Sessions: We look forward to welcoming Andy Ryan (Mid Tipperary GAA Development Officer) to our school every Monday morning for this Term. Andy will focus on the very important fundamental skills of jumping, catching, balancing and running. The skills that underpin all sporting activities.

French Lessons: We look forward to welcoming our very kind parent, Claire Collins, into the senior room for the coming weeks. Claire will be teaching the children some fun and practical French.

Green Schools: Our wonderful SNA Aisling has been doing super work on our Green Flag display of UNDER THE SEA. The bottle caps you all collected have now been put to good use. We will now be looking for some flattened tin cans and clean empty plastic bottles.

Provisional Booking: We have made a provisional booking with Kilkenny On Ice for a school outing for late December. They have yet to secure their insurance, but all going well they will and it will be a super adventure for us.

Thanks to all for your continued support. We are continuing to keep our school a safe Covid free zone and we appreciate your support in relation to current practise of mask wearing if it is necessary for you to be on the premises and making an appointment via email/phone if you need to come in for any reason.
