## **Scoilnuacht 17: December 2021**

---

**Fundamental Movement Skill Sessions:** We have come to the end of our 5 week block with Andy Ryan. It was a super experience for all and we hope to be able to invite Andy back for more sessions during Term 3.

**French Lessons:** The French taster lessons with Claire have been so well received by the children. This coming week we are looking forward to our lesson on Wednesday where we will prepare for our French Cafe experience on Friday. The children from Ms. Loughnane's room will join us on Friday.

**Ice Skating:** Our provisional booking with Kilkenny on Ice did not come to pass. They did not open for the season. Alongside this, we would not have been able to travel there with current Covid Restrictions relating to school events.

**Classroom Fun:** We are loving Drama and currently enjoying snippets from some Christmas plays and musicals. We are hoping to be able to share some videos of what we are up to before we break up for Christmas.

**Christmas Projects:** 4<sup>th</sup> - 6<sup>th</sup> class have been working on their Christmas projects. This year they have been encouraged to turn into entrepreneurs! They will be presenting their projects on Tuesday December 21<sup>st</sup>. They will be promoting their products next week and we would encourage all children to support each other with this.

**Library Resource:** The library is an excellent place to visit at the moment. They are running some fabulous Christmas art competitions and free virtual evening events that are worth registering for.

**Christmas Wishes:** Wishing all our wonderful families a fun and memorable Christmas season. We will be looking forward to hearing all the wonderful experiences the children have had when we are back together again on January 6<sup>th</sup>.
