Week 1 : We have had a great 1st week back to school. We have enjoyed the return of activities and catching up with our friends. Ms. Murphy and Ms. Ryan are a super addition to our staff and we are enjoying getting to know them. It is great to hear back from some of our 6th class pupils of 2022 of how well they are settling into Our Lady's and the Ursuline. Wishing them continued academic success and happiness. Congratulations also to our past pupils who have received their Leaving Cert results and are looking forward to the adventures ahead. Embrace and enjoy.

School Choir/Music: The Junior room are enjoying the return of tin whistle and violin. Practise makes perfect!! We have formed a whole school choir with the view to preparing for school events such as our Scarecrow Festival and Open evening in particular. We have also registered our interest in participating in the Peace Prom events that take place so fingers crossed our application is successful.

Athletics: The Senior room can wear their school tracksuits to school every day up until our athletics day out on September 23rd. This makes it more comfortable for our daily runs.

Homework: We are still waiting on our homework diaries to arrive. Homework has started in both rooms and we encourage a good routine for all.

Fun Day Money: We were so thrilled and grateful to have received such a generous donation after this years Killea Fun Day. We have decided to use the money towards extending our outdoor play area. In the coming weeks, we look forward to the arrival of our swing set, seesaw, monkeys bars, playhouse and outdoor chalkboards. We are also using some of the money towards our Sensory Area in the prefab.

Regards, Mary and Kate.
