Tipperary Colours Day

This weekend marks the 100th anniversary of Bloody Sunday. It is a significant weekend for Tipperary GAA. We are happy to come on board with Tipperary Cumann na mBunscoil and show our support by wearing our Tipperary colours to school on Friday. This is not a fundraiser. This is optional and there is no problem if you would prefer to wear your normal school tracksuit to school on the day.

Jingle Your Jumpers Day

Down Syndrome Tipperary are asking schools to come on board with their fundraising campaign on December 11th. We feel this is a worthwhile event to get involved with and will also bring a little Christmas cheer and atmosphere to Killea NS. Again, there is no problem if you would feel happier wearing your tracksuit on Friday December 11th. See attached note.

Parent Teacher Meetings

Following DES and HSE guidelines, we are not holding any meetings at the moment. We have opted not to do phonecall versions and hold off until the Spring term when we hope to be able to meet face to face. In the meantime, if you have any concerns please do let us know.

Confirmation Day

The Diocese has made a decision that schools will not combine for next years Confirmation ceremonies. The date for Killea NS Confirmation has been set for Thursday March 25th. This will take place in Killea Church. Further details to follow in the New Year.

First Holy Communion

The date of Saturday April 17th has been set for our First Holy Communion. Further details, regarding time and such specifics, nearer the date.
